## Executive Summary

Each academic year an Exit Survey is offered to all students applying to receive a certificate or degree from Tulsa Community College. The purpose of this report is to present the summary findings of the 2023-2024 Exit Survey, including the general demographics of respondents.

The Exit Survey (Appendix A) is designed to shed light on the following questions:

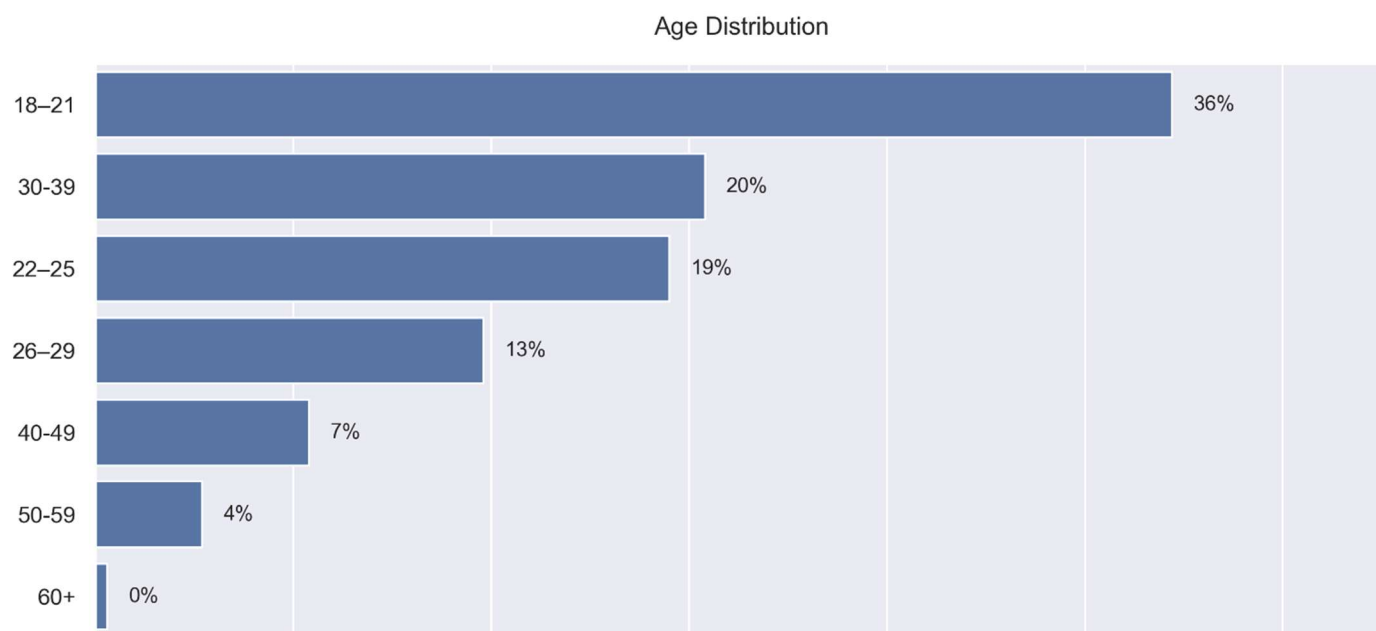

- To what extent do students feel their experience at TCC contributed to their development of broad learning skills, analytical skills, interpersonal/relationship skills, and goal setting?
- How satisfied were students with the educational services and the interpersonal interactions they experienced at TCC?
- What were students' goals for attending TCC and did they accomplish them?
- How do students rate their TCC experience compared to other institutions?
- What are students' plans for future education and employment after graduation?

During the 2023-2024 academic year (Summer 2023, Fall 2023, Spring 2024), 2,852 certificates and degrees were conferred to 2,471 individual students.
